5 Day Geneva Itinerary

Please note this is a provisional program and all activities are subject to change

Day 1 – Arrival in Geneva

Activity	Description
Arrival and Transport to Accommodation	A dedicated local CAS Trips leader will greet the group at the airport before traveling to the accommodation.
Check-in and relax	Check-in, relax, and freshen up following the long journey.
Walking tour: Introduction to Geneva	A fascinating introduction to the incredibly diverse history and culture of Geneva. The tour will take the group through the narrow streets of Geneva's historic Old Town, visiting the most popular sites while giving an in depth understanding of Geneva's history.
Evening Meal	Enjoy a warm meal in a local restaurant.

Day 2 – Creativity, Service

Activity	Description
Future Labs Workshop	<p>Participants take part in a Futures Wonder Lab workshop. to learn about rapid innovation and entrepreneurship processes enabling the Lab to imagine solutions for a real-world problem and connect this to solving one or more of the UN SDGs.</p> <p>This is a creative thinking session, building wellbeing and core life-skills needed to unfold flourishing futures, through the innovation and entrepreneurship process. It invites students to look through this lens as they complete their week and to take their learning back home and become problem-solvers in their local communities.</p>

Lunch Enjoy a packed lunch to be eaten in the streets of Geneva.

UN Visit - Palais Des Nations Tour As part of this visit, students are taken on a tour led by UN staff in an exclusive experience not available to the public.

Evening Meal Have amazing Middle Eastern cuisine.

Day 3 – Activity, Service

Activity	Description
----------	-------------

Service Challenge: Food Packaging The group rolls up their sleeves to make a contribution to the city by working with a local NGO assisting in the sorting of food donations into packages to be distributed to those in need.

Lunch Enjoyed a packed lunch.

CERN Tour CERN is one of the world's largest and most respected centers for scientific research. It houses the world's largest and most powerful particle accelerator, which runs for 27km.

Participants receive a guided tour through the European Organization for Nuclear Research. They'll learn about the work of the organization, and explore two of the permanent exhibitions: Microcosm and the Universe of Particles.

Evening Meal Eat international cuisine in a local bistro.

Day 4 – Creativity, Activity

Activity	Description
----------	-------------

Creativity Think Tank Lab In this hi-tech creative technology lab, student teams are able to test drive state of the art equipment, including 3D printing, robotics, and experiment with virtual reality.

This fun and dynamic think tank introduces project-based learning and cross-disciplinary thinking all aimed at tackling the SDGs.

Lunch Let's enjoy a lunch provided by our partner from the morning activity.

Red Cross Museum The Red Cross Museum immerses visitors in a multi-sensory journey through the most pressing humanitarian issues of our times. This museum investigates and explores the compelling history of the world's largest humanitarian organization.

Reflection Workshop Under the guidance of our CAS Trips Leaders, students participate in an in-depth reflection session to review the experiences and challenges of the trip. Developed to inspire participants, the workshop builds upon students' reflection skills that will be beneficial for the rest of their studies.

Evening Meal Enjoy some amazing pizza tonight.

Day 5 – Departure

Activity	Description
CAS Project Challenge	After an introduction to the UN's Sustainable Development Goals, students will receive the tools and framework to plan, organize, and engage in a long-term collaborative CAS Project that will have a positive impact on their own community.
Souvenir Shopping	Students will have some time to engage in shopping for souvenirs and gifts in the city center.
Check-Out & Departure	Departing from the accommodation, the group will board the transportation in time for departure.

CAS Trips

Sustainable, Responsible Travel

From striving to become carbon neutral, to preserving local cultures and supporting local economies, we take sustainability seriously. You can read how we challenge ourselves to take responsibility [HERE](#)

In 2021, CAS Trips declared a climate emergency and became a signatory of the [Glasgow Declaration for Climate Action](#).

Glasgow Declaration
Climate Action in Tourism

Carbon Removal through every CAS Trip

CAS Trips calculates each destination's average carbon footprint using the CARMACAL emissions calculator. As a member of Tomorrow's Air, CAS Trips contributes \$20 for each participant towards the removal and permanent storage of 14kg of carbon. Tomorrow's Air is uniting travelers to support pioneering companies whose nature-tech solutions will help permanently reverse warming [through carbon removal](#).

Read more about the incredible work you will be supporting [HERE](#)

Safety & well-being

- ✓ Conducting and providing detailed risk assessments
- ✓ Overseeing all tours by our trained, professional trip leaders at all times
- ✓ Ensuring a minimum of 1:20 CAS staff-student ratio
- ✓ Offering 24/7 online support via email ahead of a trip
- ✓ Recording the highest safety and security standards for all third-party bus and rail companies
- ✓ Supplying parents with a full day-by-day trip itinerary including all transport details and 24-hour contact numbers
- ✓ Expecting all participants to maintain adequate travel insurance
- ✓ Complying with all local government requirements in regards to COVID-19
- ✓ All CAS Trips staff are trained in First-Aid and COVID-19 awareness and management
